

The perfect setting...

If you have your heart set on a fairy tale wedding then picture the scene:

A uniquely situated 19th century Georgian house that's been tastefully modernised to create a stylish and comfortable hotel, nestled on the banks of the Solway Firth with beautiful views of the Cumbrian Fells and Criffel. Imagine all this is yours, to be enjoyed exclusively with your family and closest friends.

Perhaps the only unfamiliar faces will be those of the friendly staff who will be doing their utmost to make sure every aspect of your wedding is perfect and as memorable as possible.

Weddings and Functions

With the world-famous Blacksmiths Shop at Gretna Green only a fifteen minute drive away it is not surprising that with our sea views and large function suite the Powfoot Golf Hotel has long been a popular wedding venue.

As the perfect setting for your wedding and reception we offer several packages to suit the size of your party and budget. The Powfoot Golf Hotel is also the ideal location for those staying before and after wedding receptions either here, at nearby Comlongan Castle or any of the other romantic local venues.

Please ask us for our full wedding brochure should you require further information on our packages and prices.
